

GREEN CHOICE PROGRAM

GREEN POWER

Company
Rate
Code

Applicable:

All areas served by the Association.

Available:

Available to all YVEA members who are receiving electric service under an existing tariff. Participation in the program is limited by availability of electric energy from renewable sources defined below.

Rate For 100% Offset Option:

For 100% of the metered electricity purchased from YVEA on a per kWh basis, with metered purchase volume reduced by the annual renewable energy content percentage available from YVEA's wholesale supply, per kWh:

This rider is in addition to the monthly energy charge of the consumer's existing tariff. \$0.006

Minimum Monthly Charge:

The Member may offset their kWh usage with Green Power by executing the proper forms. The minimum purchase is defined by the purchase volume described above. Minimum length of participation is one month. The Member must give ten days' notice of intent to discontinue participation.

Note:

YVEA will retire Renewable Energy credits each calendar year in quantities equal to the sales of electricity under this tariff. Renewable energy may be produced by wind, solar, hydroelectric, or biomass generators

Terms of Payment:

Bills will be net and due and payable by the date indicated on the bill.
