Changes/Deletions; Rules, Regulations, or Extension Policy

1. Sheet No. 69; Amended Item 61.d to read in its entirety as follows: “All Consumers shall furnish the service entrance equipment which shall be subject to approval by the Association. Ganged and stacked meter bases, in excess of duplexes, shall be provided by the Consumer and shall be subject to approval by the Association.”
2. Sheet No. 95; Item 4.a; Deleted the following: “In those cases where the investment in facilities does not exceed \$2,500 to serve the Consumer, the Association will install said facilities for a minimum specified in the applicable rate schedule.”
3. Sheet No. 96; Item 5(a); Deleted the following: “In those cases where the investment in facilities does not exceed \$2,500 to serve the Consumer, the Association will install said facilities for a minimum specified in the applicable rate schedule.”
4. Sheet No. 97; Item 6.b(1); Deleted the following: “The Association will invest a new primary voltage service(s) in the amount not to exceed \$2,500. The Association investment will be allowed and returned to the Customer after the permanent service is connected to the completed project.”
5. Sheet No. 99; Item 7.e; Deleted the following: “For lots served with secondary utilization voltages, the Association will invest an amount not to exceed \$2,500 per lot served, such investment to be calculated at the end of five (5) years from the date of installation. The refund is the feeder system cost (reduced by any refunds per Paragraph D) divided by number of lots in the subdivision times the number of lots connected at the end of five years to a maximum of \$2,500 per connected lot.”

The redline changes are available for examination at the office of the Association upon request. Anyone who desires to complain about the proposed changes shall file a written complaint with the Association at 2211 Elk River Road, Steamboat Springs, Colorado 80487 at least ten (10) days before the proposed effective date.

The Association may hold a hearing to determine what changes will be authorized. The changes ultimately authorized may or may not be the same as those proposed and may include changes different than those tariffs proposed or currently in effect. Anyone who desires to receive notice of hearing, if any, shall make a written request therefor to the Association, at the above address, at least ten (10) days before the proposed effective date.
