AUTOMATIC PAYMENT AUTHORIZATION

I authorize Yampa Valley Electric Association (YVEA) to process entries to my financial account or credit card in the amount of my current monthly electric billing obligation. This authority will remain in effect until written notice is given by either party to terminate the authorization. Notification of cancellation shall be effective upon receipt of the written notice.

I agree that YVEA is authorized to delete and change information regarding my financial institution or credit card, after verification of my personal information. When a new credit card is issued, I will notify YVEA of the new expiration date.

Should an erroneous debit be made to my account, I authorize YVEA and my financial institution to stop payment, reverse the entry, or make any adjustment necessary to my account to correct the erroneous entry. A written notice explaining the changes will be sent to me by YVEA.
